

# I'm Warning You about this Serious Issue!!!

(Hebrews 3: 7 – 19)

*The widest thing in the universe is not space; it is the potential capacity of the human heart. Being made in the image of God, it is capable of almost unlimited extension in all directions. And one of the world's greatest tragedies is that we allow our hearts to shrink until there is room in them for little besides ourselves. -- A.W. Tozer*

Theme: Take care to encourage one another day by day so you don't develop an unbelieving heart.
