

Hebrews 9:1-14
Does It Really Matter?

Hebrews 9: 1-14

Why it is Relevant, Though Foreign to Us

"The Present Time"

But what is "the present time" that he has in mind? And what does it have to do with us in our present time?

Why did he call the old, strange, foreign period of history "this present time" if he lived after the death and resurrection of Jesus?

Now why is that important?

God Has Solved that Problem

Why did he have to do that?

The Problem is the Same for Ancient People and Modern People

What is the purpose of the church?

Why do we sing?

Why do we use instruments when we sing?

Why do we pray during the service?

Why do we read Scripture?

Why do we stand when we read Scripture?

Why do we preach the Word expositional manner, verse by verse? Heb 4:12

What dead works have you been offering to God?
