

Testimony to The Messiah
(Jesus begins His Ministry – First Four Days)
{John 1:19 - 51}

Under the Old Testament system, every worshiper had to bring his own lamb. If he had no lamb, he had to buy a lamb. He could not borrow a lamb. No one could give him a lamb. He had to provide his own lamb. In the New Testament everything is reversed. God provides the Lamb! -- Robert C. Shannon
