

In the Image of God

Man and Woman Created

Genesis 2

Dwight Custis

What is the relationship between Genesis 1 and Genesis 2?

John MacArthur - "Clearly, the creation of the human race is the main issue in Genesis 1. Everything culminates in this event, and Scripture devotes more space to describing Adam's creation than to any other facet of creation. In fact, because this final act of creation is so crucial, all of Genesis 2 is devoted to an expanded description of it."
