AUTHENTIC MIRACLE?

1. The absence of any “wonder” by the crowd
2. The crowd shared their own food
3. Wealthy women supplied the crowds
4. Jesus broke the food into little pieces
5. Allegorical/symbolic
6. Jesus hypnotized the crowd
7. Jesus had access to large food stores in the area

“There could be no mistake about the reality and greatness of this miracle. It was done publicly and before many witnesses. The same power which at the beginning made the world out of nothing, caused food to exist, which before had not existed. The circumstances of the whole event made deception impossible...nothing, in short, can explain the whole transaction, but the finger of God.”
