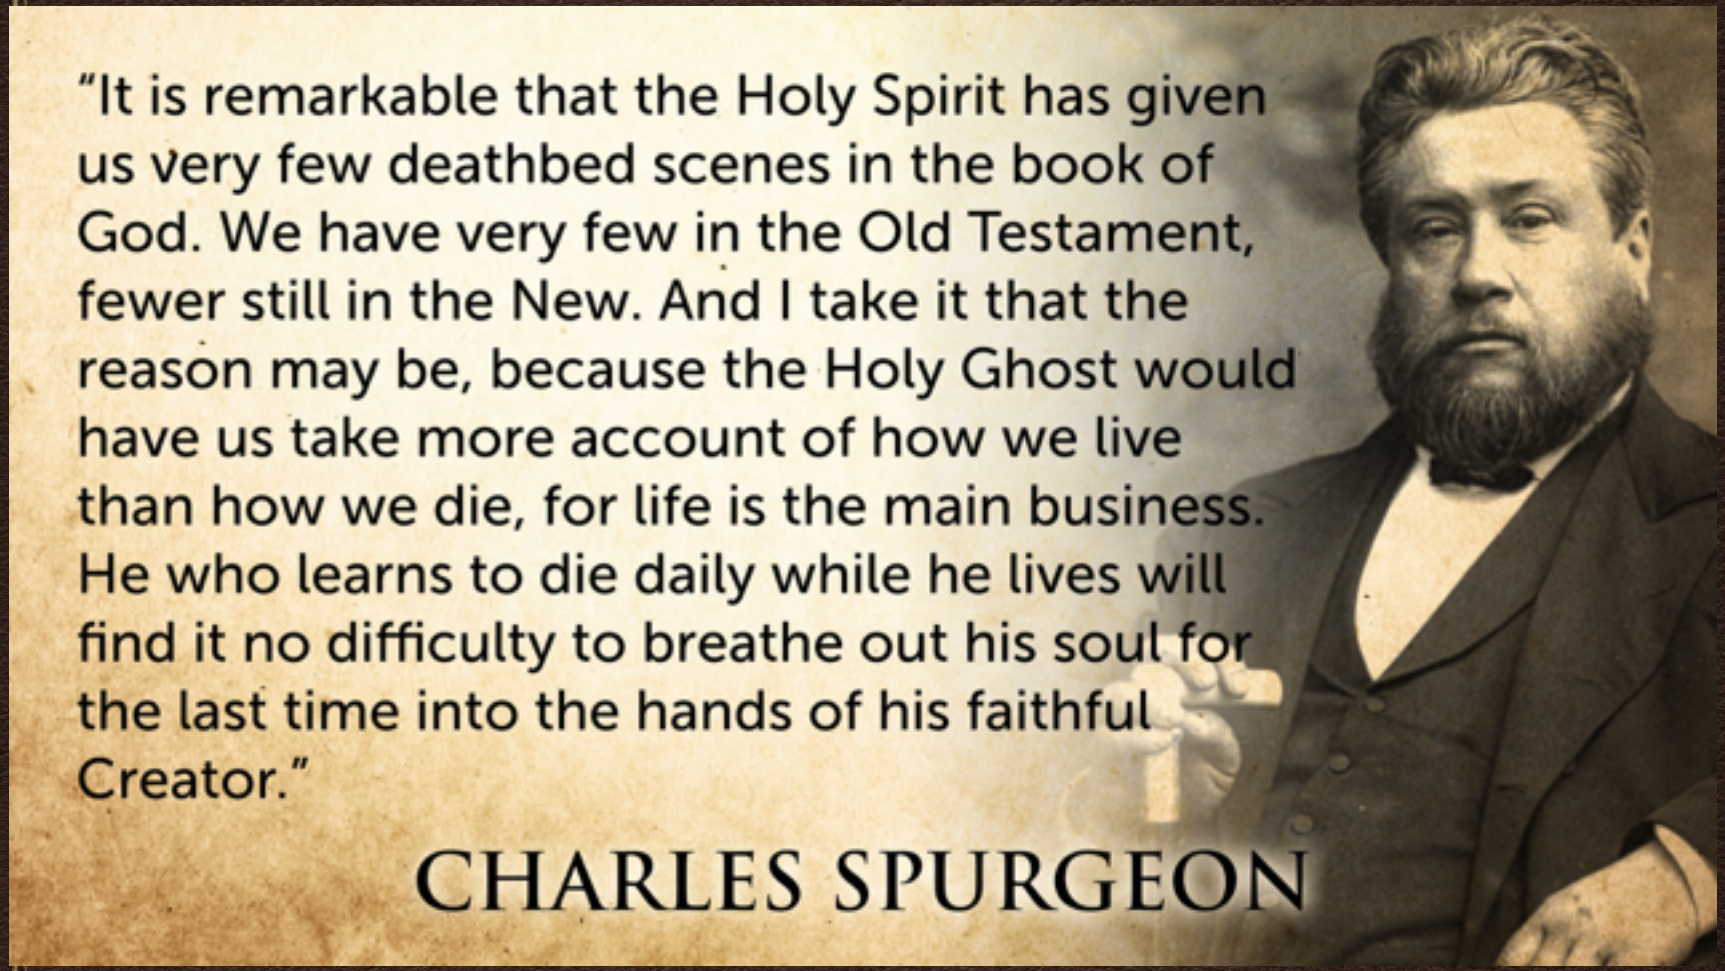
Death…



"It is remarkable that the Holy Spirit has given us very few deathbed scenes in the book of God. We have very few in the Old Testament, fewer still in the New. And I take it that the reason may be, because the Holy Ghost would have us take more account of how we live than how we die, for life is the main business. He who learns to die daily while he lives will find it no difficulty to breathe out his soul for the last time into the hands of his faithful Creator."
