Unity in the Church

Ambassadors Sunday School

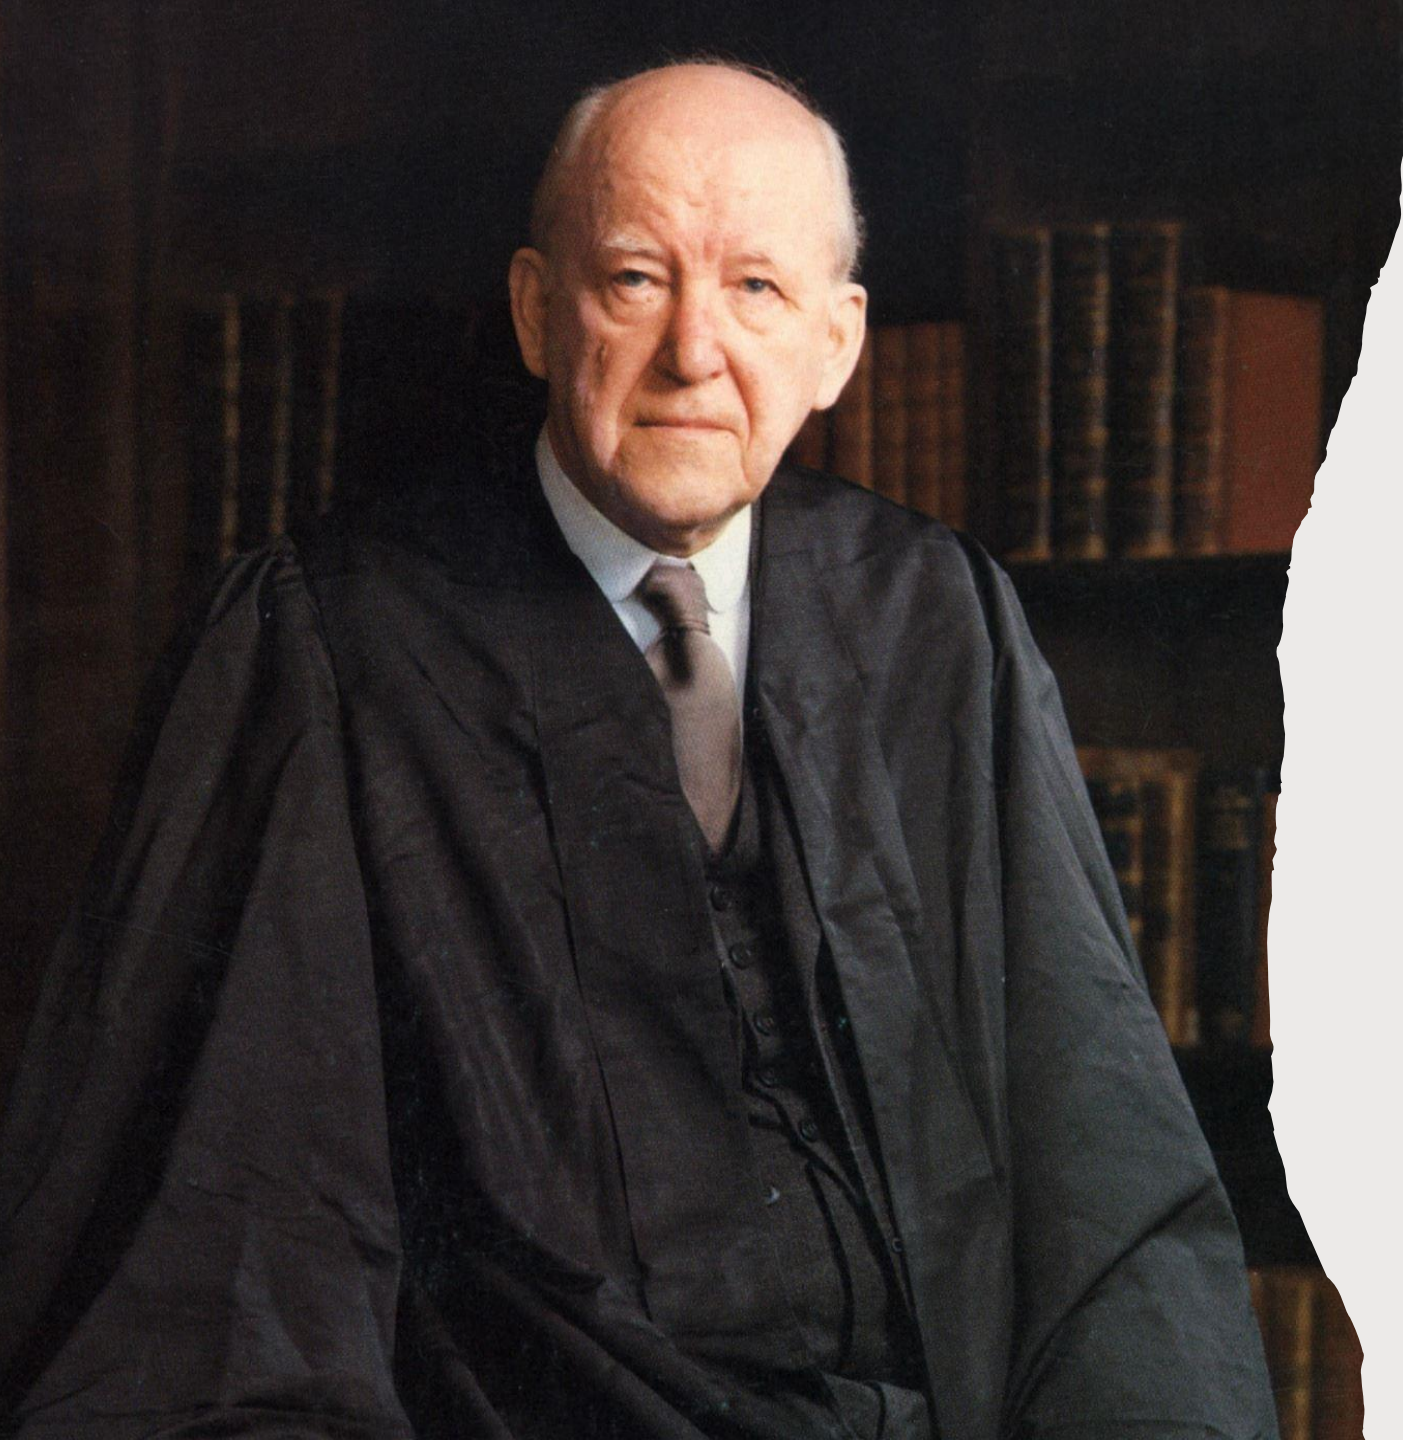

Lesson Theme

As imperfect saints, we can live in communion as one body, for the divine bond that unites us has been established through the One who gives us salvation.

Unity in the Church

I. Traits for Unity in the Church (vs.1-3)

“The Apostle Paul...is beseeching them and exhorting them always to give equal weight in their lives to doctrine and practice. They must not put all the weight on doctrine and none on practice; nor all the weight on practice and just a little, if any at all, on doctrine. To do so produces imbalance and lopsidedness. The Ephesians must take great pains to see that the scales are perfectly balanced.”

Dr. Martyn Lloyd-Jones
