

Gen 1 & 2

Christ: the humble, persistent Creator

Theme: Christ Himself is the direct means of, the goal of, and the pinnacle of, creation, and as we contemplate the truths of His humility and work on our behalf, it should lead to deeper worship.

Intro:

- The NT passages were to help us understand the OT contains Christ and the Gospel!
- Christ's 40 days of post-resurrection, pre-ascension OT Bible studies strengthened the disciples faith!

I. The Sight of Christ in Creation

A. A comparison of beginnings (Gen 1 & John 1)

B. Christ is the _____ of creation

1. The Word of God as creator
2. Christ's claims concerning creation
3. Christ as the sustainer of creation

C. Christ is the _____ of creation

D. Christ is the _____ of creation

II. The Significance of Christ in Creation

A. Gives weight to His _____

B. Reveals loving _____ in His work

1. Christ isn't done creating _____

2. Christ isn't done creating _____

Application:

- We should contemplate the enormity of Christ's humility, exhibited in His humanity
 - This should strengthen our faith in Christ as a Savior
- We should stand in awe of Christ's persistent work on our behalf
 - This should strengthen our trust in Christ as a Redeemer
- These should lead us to worship!
