

2. Yahweh's Response to the Shattered Covenant (33-35)

Lessons:

- 1) We should evaluate our anger to see if it is righteous (Ps 69:9; Ecc 7:9; Eph 4:31-32).
- 2) We should seek a transformed heart if we struggle with the fear of man (Is 2:22; Jn 5:41, 44).
- 3) Turn to God when we sin
 - a. Rightly confess our sin (1 Jn 1:9-10).
 - b. Moses took active steps to eliminate the sin as Moses did (Matt 5:29-30; Rom 8:13). App: we often do not.
- 4) Challenge: Which participant in our passage today (Moses, Aaron, the people) do you most reflect personally in your life? I think if we were honest, it's often not Moses.
 - a. Do we deal radically with our sin or put up with it?
 - b. Do we hate sin and burn because of it?
 - c. Do we fear man?
 - d. Do we struggle with idolatry?
